Education

KENNESAW STATE UNIVERSITY | KENNESAW, GA | AUG 2018-DEC 2022

- Bachelor of Science in Computer Science
- GPA: 3.43
- IBM Z Xplore Fundamentals and Concepts Badge

PROJECTS

- **Dogem Mobile App (Senior Project):** Built a app using React.js, React-native, Node.js, Expo, and Firebase that can call, text, and email someone when a person ghosts them
- **Incident IQ Hackathon**– participated in a company competition and made a website that people can use to view their school calendar (Won People’s Award)
- **Software Engineering Project:** Built a pizza website using C# where a user can order pizza
- **Google Research Project:** Programmed camera with Google AIY Kit that could detect wildfires using Python, AI, and Machine Learning
- **Blackjack (Java Personal Project)** – card game where user starts with \$100 and user decides how much to bet while dealer hands out cards and user decides when to quit

Experience

DEV INTERN | INCIDENT IQ | MAY 2022 – AUG 2022

- Worked with the support team to fix customer technical issues using SQL, JavaScript, and HTML/CSS
- Reported bugs and used GitHub, Visual Studio Code, Azure Data Studio, Azure DevOps, etc.
